

## FDM4 Users' Conference

### FDM4 Prepares for 2017 Annual User's Conference in Las Vegas

FDM4 is excited to host this year's Annual User's Conference in Las Vegas - home to FDM4 America. This year, FDM4 is offering a high-energy look into the future - with highlights on the new FDM4 Enterprise Browser-based Framework. We will showcase our latest advancements in Warehouse Management with touch screen technology, as well as Decorations, and Manufacturing. Providing insight and one-on-one time with our Corporate Management, the Users' Conference also offers a great opportunity to network with other FDM4 Users, and to have input into what future enhancements are needed to strengthen the FDM4 Community.

## FDM4 Hosts Local University for Tech Night

In an active pursuit to hire 20 programmers, FDM4 invited the graduating class of Nipissing University's Computer Science program, as well as the Dean and Associate Dean of Arts & Science, and the President of the University to an Open House event at our North Bay office on Friday, March 31st. Students and faculty were shown the real-life application of their degrees and were provided an overview of the FDM4 Enterprise Application Suite which highlighted our leading edge browser based technology. This was the 1st in many community and advanced placement programs offered by FDM4, as we continue to grow our staff in 2017.

## Employee Spotlight

This month's Employee Spotlight is on **Angie and Joe**

This month's employee spotlight falls on Angie and Joe for their recent onsite "GoLive" visit to LA Apparel. Angie and Joe met the challenges faced onsite and were able to overcome them with flying colors while maintaining the high standards expected. Delivering not only a new management system to the company, Angie and Joe assisted with aligning procedures to the new ERP system, and assisted with data creation and maintenance. Congratulations Angie and Joe.

## Customer News

### New Customer!

**Alliance Rubber** - selects FDM4 to support their B2B E-commerce. A pioneer in the rubber band industry Alliance Rubber Company now offers over 2,000 sku's of packaging, Ad Bands®, four-color imprinted FotoFlex Bands™, Cable Wrapz®, Gear Strapz®, waterproof UPC-imprinted ProTape® and mailing/shipping supplies.

### Another Customer Live on V15

**Los Angeles Apparel** - goes live on FDM4 ERP and B2B E-commerce. With a history of success in founding American Apparel, Dov Charney is more determined than ever to make his second stab at apparel manufacturing even more successful than the first, and we excited to be a part of the journey. Read more about Charney's enterprise on our [Blog](#).

### Heritage V16

Heritage kicks off v16 Browser-based upgrade of ERP, B2B and WMS.
